

Spill Kit

15L OIL & FUEL (Marine)

EnviroSmart's range of Oil and Fuel (Marine) Spill Kits contain highly effective products that will absorb hydrocarbon based liquids including oil, fuel, solvent and grease.

The 15L Spill Kit includes premium quality 100% polypropylene pads and a 1.2m sock. Being hydrophobic, (repel water) they can also be utilised for removing hydrocarbons from the water surface.

SpillSmart products meet EnviroSmart's strict quality control standards together with EPA leachate standards for disposal to landfill.

Our Spill Kits can also be customised to suit the specific requirements for spills most likely to occur in your and your customers work environment. Please contact EnviroSmart to discuss any tailor-made solutions you may require.

Designed for:

- Use in Commercial & Recreational Boats
- Marinas
- Worksites backing on to waterways
- Near storm water drains
- Anywhere hydrocarbons are stored near water

Features:

- Premium quality, highly absorbent, Poly Booms, Socks, Pads and Pillows
- Effective for cleaning up a wide variety of spills including Petroleum, Diesel, Cooking Oil, Solvents & Grease
- Meets Environmental Duty of Care obligations
- Made in Australia – Australian Owned
