

SpillSmart Oil Only Drum Cover Pads have been designed to rapidly absorb pump, dispensing and overspray messes. Whilst keeping your drum tops in 'Tip Top' condition, these pads will assist to prevent drips and spills from hitting the floor whilst decanting liquids and remove the need to keep messy rags on hand.

These Light Weight pads are economical and therefore suit high usage worksites. They feature good absorbency, with great wicking and retention performance. Oil Only Light Weight Drum Cover Pads will take-up Hydrocarbons, Oil and Oil based fluids whilst resisting water. They are colour coded white for easy identification for use with Hydrocarbons and are easy to visualise saturation levels whilst placed on the steel drum top.

Speak to your Envirosmart Distributor for further information about this product and other quality absorbent pads in our range.
